

Welcome! We are pleased you want to consign your quality items with us!

Terms -your items will be displayed for **90 days**. Consignor/Store splits are done on a tier system. Tier percentages are detailed on your intake form and can vary from each drop off based on the condition of the order. The end of your consignment date is posted on your intake form. The consignor is responsible for contacting the store at the end of the 90 days to make arrangements to pick up unsold items as well as settle any payment due.

Selling prices- determined by Buttons and Bows and are approx 30%-50% of the original retail prices based on condition and demand. Item prices are **potentially** reduced **50% after 45 days** and **75% after 70 days**. Buttons and Bows reserves the right to change these percentages for discounts, end of season and special sales.

Payments- are available 10 days after the items have sold. The 10 day hold allows for the store return policy. Feel free to call or stop in any time to see how your account is doing! Payment should be picked up in person during regular business hours for security purposes.

Commission- Accounts are set up as;

1. **Cash**- can be shopped off or receive a check.

2. **Store Credit**- Entitles you to 10% more of you sold items, but can only be used in the store. No cash or check will be issued.

Unsold Items- are returned to you once your **90 days** are up. If you choose to pull your items early there is a \$.75 per piece handling fee. You have **7 days** to pick up these items. If you choose not to pick up your items they become the property of Buttons and Bows and will eventually be donated to a worthy cause.

We do our best to safeguard your items but cannot be responsible for damage or theft.
